Re: Your client's claim for damages.
Air Force Claim No.: 18-17041
Your client: Kris Workman

Dear Mr. Reynolds,

On July 18, 2018, the Air Force received your client's administrative claim for damages in the amount of \$31,000,000.00. In accordance with Title 28, Code of Federal Regulations, Section 14.4, please submit the following documentation at your earliest convenience:

- A written report by their attending physician or dentist setting forth the nature and extent of the injury, nature and extent of treatment, any degree of temporary or permanent disability, the prognosis, period of hospitalization, and any diminished earning capacity,
- Itemized bills for medical and hospital expenses incurred, or itemized receipts of payment for such expenses,
- If the prognosis reveals the necessity for future treatment, a statement of expected expenses for such treatment,
- If a claim is made for loss of time from employment, a written statement from his or her employer showing actual time lost from employment, whether he or she is a full or part-time employee, and wages or salary actually lost,
- If a claim is made for loss of income and the claimant is self-employed, documentary evidence showing the amounts of earnings actually lost,
- Any other evidence or information which may have a bearing on either the responsibility of the United States for the personal injury or the damages claimed

In order to properly adjudicate your claim, we require all the documentation listed above. Failure to provide the requested document(s) will lead to a denial in your claim. If you have any questions in the meantime, please contact Mr. Bradford Hunt, Chief, General Torts Branch, at the above address or by phone at (240) 612-4620.

Sincerely,

A handwritten signature in cursive script that reads "Jennifer L. Freda".
